We do not run a fund. We do not hold client money. We do not sell securities. We sell memberships, tickets, and a brokerage service – and we keep the office in Hong Kong.

THE COMMUNITY

Thousands of people
share a project.
*Almost none of them share
an address.*

The Liberland community has grown for a decade across borders, in chats and at the occasional festival. It has no clubhouse, no permanent calendar, no front desk.

Liberland Limited is the simplest answer to that gap: a Hong Kong company that sells a membership, runs a calendar, and helps members find a cottage on the river when they want one.

WHAT WAS MISSING

- A clear front door for new members.
- A predictable calendar of gatherings.
- One office to email when you need help.
- A way to find a residence at Ark, with someone to walk you through it.

Three things, well.

Membership, gatherings, residences.

01 – MEMBERSHIP

A members' register, kept by hand.

Four annual tiers — Silver, Gold, Platinum, Founder. Named members, an address book posted once a year, a concierge that answers email.

\$150 – \$20,000 PER YEAR

I.

02 – GATHERINGS

Six to eight dates a year.

The Anniversary in April. Floating Man in August. A Salon in Hong Kong. A winter retreat at Ark. Tickets sold to members and a curated guest list.

FROM \$49 / TICKET

II.

03 – RESIDENCES

Brokerage at Ark Village.

We introduce members to cottages and houses sold by the Serbian developer of Ark Village. We coordinate the visit, paperwork, and move-in.

BROKERAGE PAID BY DEVELOPER

III.

Four tiers. *One register, kept by hand.*

Annual contracts, paid in USD by card or wire.
Reviewed every year.

TIER	SILVER	GOLD	PLATINUM	FOUNDER
Annual fee USD, paid per year	\$150 / YEAR	\$1,000 / YEAR	\$10,000 / YEAR	\$20,000 / YEAR
Seats Cohort cap per year	Open intake	240 places	80 places	12 seats
What it is In one line	An open door to the community.	Closer involvement, a seat at the table.	Hosted attendance, reserved hospitality.	A standing seat in the room.

Membership is a personal contract for services. It is not a securities subscription, an investment, or an interest in any vehicle.

The calendar.

Six dates this year.

Tickets at member rate; a small allocation is held back for guests by invitation.

HOW THE BROKERAGE WORKS

1. Member requests an introduction through Liberland Limited.
2. We confirm availability with the developer; we coordinate the visit.
3. The sale is concluded directly between the buyer and the developer in Serbia.
4. Liberland Limited is paid a brokerage fee by the developer on completion.

Three lines of revenue.

All paid for services rendered.

Indicative mix for the year ending Dec 2026.

01 · MEMBERSHIP FEES

56% — recurring, annual

02 · TICKET REVENUE

26% — by event

03 · RESIDENCE BROKERAGE

18% — paid by developer

WHAT WE NEVER DO

- We do not operate a fund or any pooled vehicle.
- We do not hold client money or custody assets.
- We do not sell shares, tokens, or any security.
- We do not own the residences we introduce.

WHAT THAT MEANS IN PRACTICE

- Card and wire payments only, into a Hong Kong corporate account.
- Standard small-company accounting and annual filings in Hong Kong.
- KYC on members at Platinum and Founder tiers.
- Receipted, line-item invoices on every contract.
